El Paso, Texas

El Paso is steeped in more than four centuries of history and culture — a unique blend of 21st century cosmopolitan living, Old West pioneer spirit, and the rich Hispanic culture native to the region.

The average year-round temperature in the “Sun City” is 77 degrees, with 318 days of sunshine.

A wide variety of activities and events await residents and visitors, including the Amigo Airsho, the International Balloon Festival and the Southwestern International Livestock Show and Rodeo. Hiking, marathons and bicycle races are just a few examples of the outdoor activities waiting to be enjoyed in El Paso.

El Paso hosts the oldest independent bowl game in the country, The Vitalis Sun Bowl, which matches Big Ten and Pac-10 powers. El Paso is also the professional home of the El Paso Diablos (baseball) and El Paso Patriots (soccer).

The University of Texas at El Paso

The University of Texas at El Paso is paving the road to success for thousands of students in the region and mapping the future of higher education across the nation.

We're no strangers to the task.

In 1966, UTEP -- then named Texas Western College -- changed the face of collegiate athletics.

An upstart squad of five African-American players beat Kentucky to win the NCAA basketball championship, breaking color barriers in college sports. This historical event is being depicted in the Disney/Jerry Bruckheimer movie *Glory Road*, expected in theaters in early 2006.

Today's UTEP, located in the heart of the U.S.-Mexico border, is again breaking barriers and, this time, changing the face of higher education.

Nearly 72 percent of our student body is Hispanic, and another 10 percent are Mexican nationals. The majority are first-generation college students.

UTEP has embraced this not as a challenge, but as an opportunity to provide access and excellence in higher education. For many of our students, the road to glory begins here.

We rank second in the nation awarding undergraduate degrees to Hispanics. We are the country's only doctoral research intensive university with a student body that's predominantly Mexican-American.

UTEP offers more than 80 bachelor's degrees, more than 70 master's-level degrees and programs and 13 doctoral degrees -- and counting.

We're experiencing unprecedented growth -- record enrollments of nearly 20,000 students, a \$50 million building boom and nearly \$35 million in research a year.

TOP-TIER RESEARCH

We rank second in federal research spending among all UT System academic institutions. With new labs and classrooms to support our rapidly expanding academic and research programs, we're gearing up for more.

That's a solid start to UTEP's goal of becoming a top-tier research university -- exclusive membership that requires world-class faculty, the latest in research equipment and facilities, and \$100 million a year in research spending.

This spring alone, UTEP received a \$169 million in-kind donation of computer-aided engineering software and equipment and launched a new high-capacity network that opens the door to unprecedented collaboration between numerous universities and research centers across the U.S. and Mexico.

UTEP was one of only 11 universities nationwide to receive a \$5 million "Teachers for a New Era" research grant from the Carnegie Corporation of New York. The grant will help UTEP become a national model for teacher education programs.

CAMPUS SETTING: A HISTORY

UTEP has long been a major player in the development of the El Paso community.

The school started in 1914 as the Texas College of Mines and Metallurgy. After a fire destroyed the school's Main Building, a cluster of castles began to be built along El Paso's mountains. The buildings' architecture was derived from an article on Bhutan in "National Geographic" and today, the campus continues to resemble the Himalayan kingdom.

In 1949, the school became Texas Western College and in 1967 -- a year after TWC won the 1966 NCAA basketball championship -- the name was changed to the University of Texas at El Paso.

Today, key university athletic and entertainment facilities include the 51,500-seat Sun Bowl Stadium; the 12,000-seat Don Haskins Center; the Swimming and Fitness Center; and the Larry K. Durham Sports Center, a state-of-the-art athletics and kinesiology complex. The university also boasts a six-story University Library, a state-of-the-art Undergraduate Learning Center, and the Stanlee and Gerald Rubin Center for the Visual Arts inaugurated in September 2004.

A new Academic Services Building opened this spring, and a Biosciences Building, an addition to the Engineering Building and the Paso del Norte Research and Business Complex are not far behind. A five-level garage east of the Union Building and Phase II of Miner Village student housing are planned for the near future.

COUNTING TO 100

With these and many more accomplishments to boot, UTEP last year celebrated its 90th anniversary. With that benchmark, the Centennial Commission was formed and charged with developing a vision for the university in 2014 -- our 100th anniversary. The Commission of 100 individuals this fall will present their report to the community and recommend long-range goals and strategies to achieve them.

Over the past 90-plus years, we've paved the way to success for more than 76,500 graduates.

Together we will continue to mine the way for the thousands more who will become proud UTEP alumni over the next decade.

Go Miners!

UTEP'S COLLEGES

The College of Business Administration aims to contribute to the personal and professional betterment of its students by giving them the background necessary for entry into, and advancement in professional and managerial positions. Nearly 3,000 students enroll in the college, which is accredited by the Association to Advance Collegiate Schools of Business.

The College of Education is dedicated to preparing effective teachers, counselors, diagnosticians and school administrators, who will successfully address the problems of schools and other youth-serving agencies. More than 3,000 students enroll in the college each fall. UTEP is accredited by the Southern Association of Colleges and Schools.

The College of Engineering is dedicated to preparing students in the fields of civil electrical and computer engineering, as well as computer science, with the best set of skills and knowledge that is vital to succeed in their prospective fields. The college is accredited by the Accreditation Board for Engineering and Technology. The college enrolls nearly 2,500 students.

The College of Health Sciences aims to prepare students to assume professional roles and responsibilities as practitioners, educators, administrators, and researchers in a variety of health fields. More than 2,000 students enroll in the college each fall.

The College of Liberal Arts seeks to provide student access to intellectually stimulating instruction and creative activities in the humanities, social and behavioral sciences and the arts. The largest college at UTEP, Liberal Arts enrolls some 6,000 students each year.

The College of Science strives to inspire and develop a new generation of geologists, biologists and mathematicians, and is dedicated to the highest principles of science. More than 1,500 students enroll in the college and are given the opportunity to do extensive research and analysis to educate fellow students and the community about scientific issues.

Miner Village

UTEP has added apartment-style living, the first of its kind on campus, to its community. The new UTEP housing, known as Miner Village, features one-bedroom, two-bedroom and four-bedroom units.

Miner Village's 12 apartment-style residence halls offer several floor plans, from cozy efficiencies to two- and four-bedroom units. Miner Village also features a community building which houses study rooms, a recreation area, private mailboxes and administrative offices.

The units are within walking distance to lectures, labs and other activities, as well as a short distance from the Sun Bowl and the Don Haskins Center.

There are no extended monthly fees in Miner Village – all utilities are included. The units also feature basic cable, laundry facilities, independently controlled refrigerated air, local telephone service and voice messaging.

All residents of Miner Village also have access to free on-campus parking at Miner Village, as well as direct access to the internet from their rooms.

The units have campus security, as well as a housing administrative staff that is available Monday through Friday.

GUIDE TO THE NCAA RULES FOR ALUMNI, FACULTY AND FRIENDS

"Institutional control" of athletics is a fundamental requirement of NCAA legislation. As such, the University of Texas at El Paso is responsible for ensuring that members of the faculty and staff, coaches, student-athletes, alumni, donors, boosters and friends of the institution comply with all applicable NCAA rules. The information below is intended to provide a basic overview of NCAA rules governing UTEP alumni, faculty and friends. Because of the complexity of the rules, the following does not include all applicable situations and should not be relied upon exclusively. UTEP appreciates your interest and support but reminds you that an inappropriate contact or an inadvertent action on your part can jeopardize the eligibility of a prospective or enrolled student-athlete and the university. If you have specific questions, please contact the Athletics Department's Compliance Office at (915) 747-8607.

You Are Considered A "Representative Of UTEP's Athletics Interests" (i.e., a booster) If You:

- Have ever made any type of financial or in-kind contribution to the athletics department, to a specific sport program, or to an athletics booster organization, including purchasing season tickets to athletics events.
- Are or have been a member of any organization or agency promoting UTEP athletics.
- Have ever helped to arrange or have provided employment for an enrolled student-athlete, a prospective student-athlete, or their parents or relatives.
- Have ever assisted in any manner in the recruitment of prospective student-athletes.
- Have ever provided benefits to enrolled student-athletes or their families.
- Have otherwise promoted the institution's athletics program in any manner.

Once you become a booster, you retain that status **FOREVER!**

A prospective student-athlete (a prospect) is any person who has begun classes for the ninth grade. A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid to attend UTEP. The prospect remains a prospect until they report for the first day of classes for a regular term (fall or spring), they participate in a regular squad practice or competition, or they officially register and enroll and attend classes during the summer prior to initial enrollment and receive institutional athletics aid.

Boosters Are Prohibited From:

- Contacting a prospect in person on or off our campus.
- Writing or telephoning a prospect or a member of the prospect's family.
- Making arrangements for a prospect or the prospect's relatives or friends, to receive money or financial aid of any kind.
- Providing transportation for a prospect or the prospect's relatives or friends to visit our campus.

- Providing free tickets or tickets at a reduced cost for prospects or the prospect's relatives or friends to attend an athletic event.
- Entertaining high school, preparatory school or community college coaches.

Boosters Are Permitted To:

- Notify our coaches about prospects that may be strong additions to our teams.
- Attend high school or two-year college athletic contests or other events where prospects compete, however, boosters may not contact the prospect or the prospect's relatives.
- Continue existing friendships with families of prospects, but boosters may not attempt to recruit the prospect.
- Employ a prospect after they have graduated from high school or a two-year college.

Rules Governing Contacts With And Benefits For Student-Athletes

NCAA legislation expressly prohibits University supporters from providing "extra benefits" to enrolled student-athletes or their families. An extra benefit is any special arrangement to provide a student-athlete or his/her family a benefit not authorized by NCAA legislation. In general, boosters may not provide anything or make special arrangements for student-athletes or their families that are not available to the general student population.

Examples Of Prohibited "Extra Benefits"

Include, But Are Not limited To:

- Providing cash or loans in any amount.
- Signing or co-signing for a loan or guarantee of bond.
- Use of an automobile or other personal property (e.g., boats, summer homes, stereos).
- Gifts of any kind, including birthday cards, flowers, holiday gifts and gifts of clothing or equipment.
- Any tangible items, including merchandise.
- Free or reduced-cost services, rentals, or purchases (e.g., car repairs, legal services, haircuts, meals at local restaurants).
- Purchasing complimentary admissions from a student-athlete.
- Providing an honorarium to a student-athlete for a speaking engagement.
- Providing typing services or other costs associated with school projects or reports.

Boosters MAY provide enrolled student-athletes with an occasional home meal, provided the meal takes place at the booster's home and NOT at a local restaurant establishment. The meal may be catered and must be limited to infrequent or special occasions. The Compliance Office must approve all such meals.

Compliance with NCAA rules is of the highest priority for our athletics program and institution. Even the best-intentioned action on your part may be a violation of NCAA rules. **Please remember to ASK before you ACT.**

NETTERS LOOK TO REBOUND IN A BIG WAY IN 2005

The 2005 season looks to be a fresh start for the UTEP volleyball program. Following three injury-mired rebuilding years, the Miners are in position to have one of the most successful years in school history.

The Miners joined Conference USA on July 1, 2005 along with former WAC brethren Rice, SMU and Tulsa. With a new conference and new opponents, head coach Scott Swanson sees the 2005 season as not only a fresh start, but also a new beginning.

"It will be a great conference for UTEP," said Swanson. "Our goal is to finish in the top five in Conference USA and win at least 18 matches this season. It's a wide-open race as far as who will win the conference."

UTEP returns five starters, a libero and one additional letterwinner from the 2004 season, and lost just one starter (Cecilia Moreno) and one letterwinner (Paige Wawrzyniak). UTEP signed three freshmen and added four walk-ons to the roster, adding much-needed depth to a team that had just three reserves last season.

But with just three players hitting the six-foot mark, defense at the net is a concern for Swanson.

"There's no doubt that size could be a problem," said Swanson, "but we have depth and athleticism in all positions."

Leading the 2005 squad is team MVP Kari Stacy. A senior outside hitter from Duncan, Ariz., she led the team in kills, attempts, digs and aces while breaking UTEP records during the 2004 season. Sophomores Megan Maynard and Christie Murphy will also be vying for a starting spot at outside hitter.

"Kari improved tremendously and has become more of a complete player," said Swanson. "Megan sat out this spring after having shoulder surgery, but she is one of the faster and stronger athletes on the team. Christie gained valuable experience in the fall and spring. She improved her passing and is our toughest and most consistent server."

Quarterbacking the team is returning setter Katie Smith. As a sophomore, she totaled 947 assists while averaging 11.01 per game.

"She is definitely our most improved player," Swanson said. "Her leadership and setting abilities can take the team to the next level. It is her attitude that helps us to be successful."

Fighting for a starting spot at the middle blocker position will be junior veteran Ashley Ripple and prep All-American freshman Brooke Peugh. Redshirt freshman Keisha Hyman-Gifth also looks to see time at the middle spot, as well as freshman Jessica Williams.

"Ashley has started the past two years, so she has experience," said Swanson. "She is a low-error player who brings consistency to the court. Brooke came in during the spring, so she has the mid-year experience of the spring season. She brings size and athleticism to our lineup. Keisha was out last year with an abdominal injury. She improved during the spring. She's fast and she jumps well. Jessica is a great athlete who will definitely be fighting for a starting spot."

Senior Heather Brisnahan, who played at the middle blocker position the past three years, will be making the move to opposite during the 2005 season. But she has competition from freshman Casey McAnelly.

"Heather will move from middle blocker to opposite. She has improved and is ready to have a great senior season," Swanson said. "Her hard work will definitely pay off next year. Casey will contribute right away. She is valuable because she can play more than one position."

Returning to the lineup at libero is Brittany Stowers, who injured her knee six games into the 2004 season. The redshirt freshman averaged 6.79 digs per game with 129 and set UTEP and NCAA dig records. Backing up Stowers on defense is specialist Jaymie Swift, who took over as libero following Stowers' injury. She recorded 20 or more digs four times and had three games with 19 digs. Swift will also serve as a back-up setter. Sarah Renteria and Elsa Reyes are walk-on freshmen who hope to compete for a defensive specialist spot opposite Swift.

"Brittany raises the level of performance of the team because of her ball control and defense," Swanson said. "Jaymie had a great spring season. She is one of our leaders who brings experience and consistency to the court. Elsa and Sarah will compete for defensive positions as walk-ons."

Swanson anticipates the team strengths will be depth and ball control on defense. "We should have no problem with ball control which will allow us to run a really good offense, especially with Brittany coming back," he said.

The Miners open the season on Aug. 26, when they travel to Murfreesboro, Tenn. to participate in the Middle Tennessee Invitational, the first of four tournaments. They head to Fullerton, Calif. for a Sept. 2-3 event.

"Cal State will be our toughest competition during the preseason, since they are from a strong conference in the Big West," said Swanson. "I hope to be at a level where we can compete with them."

The Miners return home to host the first annual Sun Bowl Invitational Sept. 9-10.

"The Sun Bowl tournament will give us an opportunity to get some wins at home," said Swanson. "New Mexico State will be our biggest challenge in the field."

The Miners wrap up tournament play Sept. 16-17 at the Fiesta Bowl Tournament in Flagstaff, Ariz., where they will face Northern Arizona, Baylor and Gonzaga. They open C-USA play at Marshall on Sept. 23 before heading home to face Eastern Carolina on Sept. 25.

"It will be a difficult opener because it is a split weekend for us [home and away]," Swanson said. "We travel to Marshall, only to turn around and come home to play East Carolina two days later. That's a tough start to the conference schedule."

The Miners will also host Houston and Rice before traveling to I-10 rival New Mexico State. They return to El Paso to face Tulane, then play at Tulsa and SMU. UTEP plays UCF and Southern Miss at home, then enters the toughest portion of its schedule with road dates at Rice, Houston, Memphis and UAB. The Miners close out the regular season at home against SMU and Tulsa.

"Anytime you travel it is difficult," said Swanson. "We have never won at SMU or Tulsa, so I hope to turn that around this year. By the time we travel to UCF and Southern Miss, we hope to be in a good position to beat those teams. Traveling to Houston and Rice will be the toughest weekend, but ideally we will be peaking by that time. Memphis and UAB will be a new travel experience. It will be good to end the year on our home court against Tulsa and SMU. We are hoping to be at least a fifth seed in the conference tournament."

Scott Swanson begins his fourth year at the helm of the UTEP volleyball program. Named head coach on Jan. 31, 2002, Swanson is the fifth coach to lead the Miners.

A member of the AVCA head coaches committee, Swanson served on the NCAA West Region volleyball committee last fall and recruited Brooke Peugh, the first prep All-American to sign with UTEP. This summer, Swanson coached Team 2-Ball Express to a bronze medal at the U.S. Open Men's National Championships in Denver, Colo.

Under Swanson's direction, UTEP averaged 17.68 digs per game in 2003. It ranked as the second-best single-season performance in UTEP history. The Miners also tallied 1,492 kills (13.44), 1,356 assists (12.22) and 142 aces (12.22) in 2003.

In 2002, Swanson led the Miners to an 8-3 home record. It was the most home wins since the 1989 season. The Miners ended the year with their highest league winning percentage (46.2) since 1996, finishing 6-7 in WAC play.

UTEP has garnered its first multiple All-WAC honorees in outside hitter Jennifer Abbruzzese and libero Sarah Davis under Swanson's reign. Now a Syracuse assistant coach, Abbruzzese became the all-time kill and dig leader in Miner history in 2003. The Miners have also had seven Academic All-WAC selections under Swanson, including current team members Katie Smith, Christie Murphy and two-time award winner Ashley Ripple. Since his arrival at UTEP, the team grade-point average has steadily increased to 3.26. Recently, the volleyball team was awarded the Athletic Director's Academic Award for having the highest team grade point average.

Swanson came to UTEP after a six-year stint as the associate head coach at Arizona State University. Swanson's responsibilities at ASU included co-ordinating recruiting, as well as the technical aspects of the game.

While at ASU, Swanson helped produce two NCAA tournament teams (1999 and 2000) after a three-year absence from post-season play. In 2000, ASU advanced to the second round of the NCAA's for the first time in school history. Swanson also assisted in coaching one All-American and two Academic All-Americans.

As head coach for the Arizona East Valley Juniors Volleyball Club, Swanson's 16-1's played for a national championship, taking second among the top 32 teams in the nation. It was the best finish by an Arizona Club team. He earned the 1995 Cactus Region Male Coach of the Year Award. Swanson also headed up the USA Volleyball High Performance Team, Arizona High Performance, in the summer of 2001. UTEP seniors Kari Stacy and Jaymie Swift and freshman Brittany Stowers were on his team.

In 2002, Swanson coached a men's open team of former collegiate players to a third-place finish at the U.S. Open in Dallas. Swanson is one of 31 coaches serving on the American Volleyball Coaches Association head coaches committee.

The Arizona native played for the Arizona State volleyball team for four years, including as captain. Swanson moved on to become coach of the ASU men's team in 1995 and assisted in 1996.

Swanson also had coaching stints at Mountain View and Camelback High Schools.

Swanson graduated from Mountain View High School in 1991. He is a 1997 graduate of Arizona State with a degree in Family Studies. He was born on March 11, 1973.

COACHING STAFF

UTEP's Kimberly Martinez was named assistant coach on July 13, 2004. Martinez's duties include acting as defensive coordinator while helping train the outside hitters. She also serves as recruiting coordinator and oversees academics.

In January 2005, Martinez was chosen to lead the Sun Country Region Youth High Performance team under the United States Volleyball Association. As co-head coach, she participated in the High Performance Coaches Clinic at the United States Olympic Training Center in Colorado Springs, Colo.

Martinez served as head coach at Caldwell High School in Caldwell, Texas, where she led the Lady Hornets to the 2003 Texas 3A State semifinals. She was named the District 18-3A Coach of the Year and the Brazos Valley Area Coach of the Year.

She served as an assistant coach at Rice during the 2002 season. During her tenure the Owls finished 18-16, including 8-5 in WAC action. They ranked first in the WAC's Eastern Division and tied for fourth overall. The Owls tallied a 9-1 home record the same year.

Martinez played at Texas A&M-Kingsville from 1996-99. After completing her eligibility, she stayed on as an assistant coach until 2001.

She was the head coach of the Texas Tornados club team in 2002-03 and was also head coach of Club Texas in 2001.

A Sugar Land, Texas native, Martinez graduated in 2001 from Texas A&M-Kingsville with a bachelor of science degree in Kinesiology.

Angela Mooney joined the Miner staff on June 24, 2004.

Mooney served as a club coach for Texas Power Volleyball from 2000-04. In her inaugural season as head coach, Texas Power won the Sun Country Regional Championship, qualifying for the 2004 Junior Olympic National Tournament in Houston, Texas. Mooney was an assistant for Texas Power the previous three years, helping the team make appearances at the AAU national tournament in 2001 and the National Invitational in 2002.

This past spring, Mooney teamed with the El Paso SunSpots volleyball club as the head coach of their top 18's team. The SunSpots' 18-Heat won the Sun Country Regional Championship, qualifying for the 2005 Junior Olympic National Tournament in Salt Lake City, Utah.

Mooney played at Texas Tech from 2000-03. She tallied 930 kills, 348 digs and 229 blocks. She currently holds various hitting and blocking records. She was named Academic All-Big 12 in 2003.

The Lubbock native earned her bachelor's degree in Human Development and Family Studies from Texas Tech in May, 2004.

Eric Lazowski enters his first season as a volunteer assistant coach at UTEP.

Lazowski comes from successful Florida Gulf Coast University and Barry University programs, where he served as an assistant coach.

He helped guide Barry to an NCAA Division II national championship in 2001, as well as two Sunshine State Conference co-championships in 2001 and 2003. During his tenure, the teams amassed an overall record of 74-15, and a conference mark of 37-5.

Lazowski helped guide FGCU to the NCAA Tournament in 2004, during its first year as a Division II program.

A part of the USA Volleyball Coaching Pipeline program, Lazowski worked with the Junior National A2, Youth National A3 and A2, as well as numerous developmental programs. He was also the director and coach of the Florida Region High Performance program, "Team Florida", from 2003-05. In 2004, they captured both the YNT and JNT titles at the Regional HP Championships in Austin, Texas.

Lazowski worked as a student assistant under Chuck Erbe at Michigan State University from 1994-95 and was a student-assistant under Terrie Robbie at Central Michigan University from 1992-94.

He played for the Central Michigan University men's club team as well as the nationally ranked Michigan State men's club team, helping the Spartans to back-to-back Big 10 and Midwest Championships. Lazowski also played professionally on the FIVB, AVP and MPVA professional beach volleyball tours.

Originally from Birch Run, Mich., he currently resides in El Paso, Texas.

Ana Paula Gonçalves begins her fourth year as the team manager.

Gonçalves played volleyball competitively at age 10. She led her Brusque team to a pair of state championships in 1994 and 1995 and finished third in 1996. She also led São Luis to the state title at the Santa Catarina Game in 1996 and helped take top honors at the City High School Games in 1997.

David Lin joins the UTEP staff as a manager for the 2005 season.

Lin played at UCLA from 2000-01, where he was a member of the 2000 national championship team that finished 29-5. While at UCLA, he was coached by volleyball great Al Scates.

ReeDee Granado led the Miners in assists from 1994-96. During her career, she totaled 3,409 assists, second in UTEP's record book. She ranks third in career assists per game, averaging 8.81 and is rated on every assist category in school annals.

On Sept. 16, 1991, Nat Nevarez was named WAC Player of the Week, UTEP volleyball's first honor. A staple in Miner volleyball history, Nevarez led the team in kills, attempts, solo blocks, block assists and total blocks in 1990 and 1991.
